“Ever since I moved to Berlin over six years ago, I have been using the house cleaning services of Pfeifer. During all this time, I’ve been extremely satisfied, they are very reliable (will always provide substitutes when their employees fall sick or are on holiday) and give good value for money. They will also make the extra step in being service-oriented, e.g. following up on cleaning supply needs, broken cleaning tools and other nice tips.”

Teko Verheijen, Berlin

A handwritten signature in black ink, appearing to read 'Teko Verheijen', with a long horizontal line extending to the right and a double underline at the bottom.
